I understand I am financially responsible for any copayments, deductibles, coinsurance and all charges, which are not covered by my insurance. I understand that verification of coverage is not a guarantee of payment of benefits. Your insurance company determines insurance benefit payments. I understand I will be responsible for the portion not covered by my insurance.

I understand that Foothills Neurology *does not* accept liens, worker's compensation or MVA/auto claims and I am responsible for any insurance claims denied for such. If my medical insurance denies or takes back any monies provided, I understand I am responsible to pay all claims in full in a timely manner.

Delinquent accounts will be turned over to an attorney or collection agency without notice. Accounts will be considered delinquent if unpaid after 60 days of the billing date. In the event my account is turned over for collection, I will pay all reasonable collection, court and attorney costs at the time the account is considered delinquent.

Patients are responsible for making sure that Dr. Stuart Hetrick is *in network* with your insurance provider. We verify insurance eligibility, *but we do not verify* that we are in each individual network.

Due to the large amount of insurance plans and policies, it is the patient's responsibility to be aware of the services that are covered by your plan. Please call your insurance company for an explanation of your benefits.

This is what you need to know:

- **You have to pay for services that your insurance company says are your responsibility.**
- **If your insurance is not active on the day of your appointment, you will have to pay the whole bill.**
- **Your co-pay must be paid before each visit.**
- **We will charge you \$50 if you miss your appointment unless 24-hour notice is given.**
- **There is a \$25 charge for a Non-Sufficient Funds (NSF) check.**

I hereby authorize the release of information that may be necessary in the processing of any insurance claims.

I hereby authorize my insurance company to make payment directly to: Foothills Neurology, P.C.

CANCELLATION POLICY

At Foothills Neurology, our goal is to provide quality care in a timely manner. We have implemented an Appointment/Cancellation Policy which enables us to better utilize available appointments for our patients in need of care.

A “no show” is someone who missed an appointment without canceling it by 12:00 p.m. (1) one working day in advance. No-shows inconvenience those individuals who need access to neurological care in a timely manner. Available appointments are in high demand and your early cancellation will give another person the possibility to have access to a provider.

Without notification by 12p.m. (1) one business day before your scheduled appointment, you will be charged for the missed appointment. The charge will occur for any reason even those outside of your control, ie: car troubles, illness, or transportation issues, etc.

I AGREE TO PAY A \$50 FEE IF I DO NOT CANCEL MY APPOINTMENT BY 12 P.M. THE BUSINESS DAY PRIOR TO MY APPOINTMENT

Your signature indicates that you understand the above and accept the financial responsibility for any appointment missed without prior notification.
